

## Gordon Reid's Borrow-A-Bike Program

### Special Rules for the Use of Adult Trikes

Adult trikes can be borrowed from the Friends of Cape Henlopen State Park (FOCHSP) but borrowers ***must comply*** with the following special rules of use (in addition to all of the regular borrow-a-bike program rules):

- Helmets must be worn by all riders, regardless of age, at all times while riding a FOCHSP adult trike.
- FOCHSP trikes must stay on designated trails at all times.
- FOCHSP trikes can only be ridden on relatively flat ground. This will limit the use of FOCHSP trikes to the following:
  - Bike Loop trail leading from the Bike Barn to the McBride Beach parking area.
  - Bike Loop trail leading from the Bike Barn to the Fishing Pier and/or Park Office.
- Trikes are not allowed on the sections of the Bike Loop trail from the McBride Beach area up the hill to Fort Miles, or beyond the Park Office where the Bike Loop heads upward toward the Campground.
- Neither FOCHSP or Cape Henlopen State Park will be responsible for any damage to myself, my property, or anyone else due to the use of the FOCHSP's adult trikes.

I will comply with all of these special rules of use for FOCHSP's adult trikes.
